WELCOME MESSAGE

Welcome to Tejo E-Shiksha Center!

Tejo E-Shiksha Center is an educational initiative of Tejo Foundation, dedicated to making higher education accessible to all. We support students and working professionals by providing guidance and facilitating admissions in recognized open and online universities and educational boards.

With a commitment to quality and excellence, we follow internationally recognized standards, including ISO 9001:2015 certification. Explore our resources and begin your learning journey with confidence.

VISION & MISSION

Vision

Providing accessible, high-quality education to everyone, regardless of geographical or socio-economic constraints.

Mission

Addressing educational disparities by offering high-quality, flexible learning opportunities that cater to diverse needs.

CORE VALUES

- 1. Accessibility:** Ensuring that education is accessible to everyone, regardless of geographical location, financial means, or personal circumstances.
- 2. Innovation:** Embracing cutting-edge technologies and innovative approaches to enhance the learning experience and improve outcomes.
- 3. Quality:** Maintaining the highest standards of academic excellence, ensuring that programs are rigorous, relevant, and effective.
- 4. Student-Centeredness:** Prioritizing the needs and goals of students, providing personalized support and guidance to facilitate their success.
- 5. Collaboration:** Fostering a culture of collaboration and teamwork, encouraging partnerships between students, faculty, and industry partners.
- 6. Inclusivity:** Promoting diversity, equity, and inclusion, ensuring that all students feel welcome, valued, and supported.
- 7. Flexibility:** Offering flexible learning pathways and schedules to accommodate diverse needs and lifestyles.

Jamia Urdu Aligarh

Jamia Urdu Aligarh is one of the premier minority educational institutions in India granted by the National Commission for Minority Education Institution (NCMEI); Established in 1939 to educate the most disadvantaged sections of the society.

The courses of Jamia Urdu Aligarh are recognized by Government of India, by the office Memorandum No. 14021 / 2 / 78-Estt. (D) dated 28 June 1978 of Ministry of Home Affairs Home Ministry (Department of Personnel and Administrative Reforms)

Academic

10th ADEEB (High School)- Secondary Level- Age Limit:Above 14 Years

ADEEB is equivalent to High School Recognized by Govt. of India as equivalent to High School for the purpose of employment

12th ADEEB-E-MAHIR (Intermediate) Senior Secondary Level Streams - Arts, Commerce, Science Adeeb E Mahir / Senior Secondary Programme is equivalent to XIIth standard. Those who have successfully passed Secondary are eligible to take admission to Sr. Secondary Programme of Jamia Urdu Aligarh. All applicants need to submit a self-attested copy of their Secondary Certificate.

FEATURES

- Recognised / Equivalent / Quality School Education - JUA aims at providing quality school education while strengthening the social fabric of democracy and contributing towards universalizing school education. JUA has the authority to conduct examinations and issue its certificates. The certificates provided by JUA are recognized by Govt. of India for the purpose of employment. Successful Students of JUA can apply to the recognized national and international higher education institutes for further studies.
- Freedom to Learn & Flexibility - JUA works on the principle of freedom to learn and edibility without restrictions of time, place and pace of learning, as well as choice of subjects.

FREEDOM TO LEARN WITH FLEXIBILITY

- Limit: There is no upper age limit for admission. However, the minimum age for enrolment is 14 years for Adeeb /10th/ Secondary level programmes and 16 years for Adeeb E Mahir / 12th / Senior Secondary school programmes.
- Choice in medium of instruction: programmes will be available in Urdu and English
- Learning Support: Learning Support is provided through quality self-learning study materials in multimedia. Tutorial Assistance is provided by tutors at study centres that are situated in Recognised Institutions.
- Flexibility in Examinations: Examinations will be held two times in a year in January - February, June-July. A learner can avail 9 chances in 5 years to pass all the subjects and qualify for the certificate. Learners have to appear for all the subjects opted for in the 1st chance. Thereafter, they can appear for one subject or more in subsequent chances. However, learners are advised to try and pass all the subjects at one go or avail minimum number of chances.

Work Integrated Learning Programs

DHAMMA DIPA
INTERNATIONAL BUDDHIST UNIVERSITY

SHRI
RUKMANI
DWARKADHISH
UNIVERSITY

Tejo E Shiksha Center is committed to redefining higher education by creating dynamic, flexible, and employment-centric learning pathways for today's learners. In alignment with the National Education Policy (NEP) 2020 and global best practices, Tejo E Shiksha Center in partnership with University proudly offers the Work-Integrated Learning Program (WILP)—a forward-looking educational model designed to seamlessly blend academic learning with real-time industry experience.

The WILP framework ensures that students gain not only theoretical knowledge but also hands-on expertise, workplace competencies, and professional readiness that give them an edge in a competitive job market. This program is ideally suited for students, working professionals, employers, and industry partners who seek a structured, mutually beneficial model of skill-oriented higher education.

Benefits to the Industry

- Offering Work Integrated Degree and Diploma Programs to Fresh and Existing Hires.
- Skilling of the Fresh hires helps in improving retention rate.
- Reskilling and Upskilling of the existing hires helps in increasing the productivity.
- Students can be sponsored as part of the Organization's CSR initiative.
- Chapter 16 of the NEP2020 promotes Vocational Courses
- Bachelor in Vocation Degree is at par with any degree as per UGC.
- A win-win situation for the Organization & the Student.
- The organization gets an opportunity to train, assess & retain good performing students as employees towards the end of the program.
- University & Industry together ensure Academic and Skills delivery in line with talent requirements.

Benefits to Learners

- It provides a judicious mix of skills and general education resulting in Holistic development of Learner
- Real-time practical learning of theoretical concepts in an organizational setting
- Work Learn Earn during education
- Hands On Experience to get familiarity of tools and equipment
- OJT helps in Development of Industry Skills like Professional Ethics, Environmental Consciousness, Punctuality, etc. at an early age.
- It provides flexibility to the students using pre-defined entry and multiple exit points.
- It integrates NSQF within the undergraduate level of higher education to enhance the employability of graduates and meet industrial competencies.
